GREETINGS FROM WSU TRACK & FIELD,

On Monday, October 30th, I will be walking and playing 60 holes of golf, in celebration of my 60th year! This will be an all day event where I will cover roughly 26 miles on foot. Also, we would love for you to come and be a part of our first annual Wichita State Track & Field Golf Scramble.

I love physical challenges and ten years ago began incorporating them into our annual fundraising. The past three years I have golfed, 57, 58 and 59 holes. Before my golf "marathons" I did endurance challenges for my 50th and 55th birthday where I walked and ran 50 and 55 kilometers respectively. I will continue the tradition for this year's milestone birthday, with a bit of a twist! I had a complete knee replacement in 2016, so for this year's challenge I will be riding an Elliptigo 60 miles on a date in late November.

The WSU Track & Field team had great success during the 2016 - 2017 season including winning our 31st Missouri Valley Championship in the past 16 years. Last year we won all 4 MVC Track & Field Championships, and have won 7 Championships in the past 2 years.

Our student-athletes have a meaningful and fun collegiate athletic experience, while receiving a top notch education. As our program begins a new chapter, joining the American Athletic Conference, we look forward to the challenges that await us.

Please consider helping us write the next chapter in the WSU Track & Field History Book, through one of the donation options outlined in this brochure.

Go Shockers!
Coach Steve Rainbolt
