About Larry Staton

“Amazing” Larry Staton is one of the Founding Board Members of the **Shocker Track Club**, Inc. He served as the Secretary, Director of the Masters Team, and the Meet Director for the **Shocker Track Club** Wichita Outdoor Masters meets, and Bill Butterworth Indoor Masters meets during his tenure. Additionally, Larry served as the Masters Chair for the USATF Missouri Valley Association. Larry worked tirelessly to connect with Masters athletes, and, promote Masters Track and Field activities in Wichita and throughout the United States. And when he had a spare moment he also competed and competed well at many meets! Without Larry’s work in the past several years there would not have been Masters Track and Field in Wichita, Kansas. Larry recently retired from the **Shocker Track Club** Board of Directors, thus naming this inaugural meet in his honor is fitting and appropriate in recognition of his outstanding, tireless, and amazing work!
